Language-grounded map geometry: actual fixed-seed predictions
Two buildings on Aldridge Road, in front of a large sports field. One of the buildings is reddish, with a pitched roof that is mostly tan, although there is a red section on one end. The other building is brown with a tan roof. It has a blue sign and a yellow sign on the front of it.

Candidate prediction	Nearest referenced landmark	Centroid distance (m)	Angle from +X (deg)	Signed boundary distance (m)
Name / Type Only	Aldridge Road	387.61	136.9	378.87
Shuffled Geometry	Aldridge Road	11.37	111.6	6.41
Correct Geometry	Aldridge Road	53.16	71.4	17.66

Fixed seed 0; separately trained matched-budget ablation heads. Outcome-selected illustration, not a same-weight intervention. Solid outlines: recipient map. Dotted cyan: shuffled donor map. Angles are mathematical, not verified compass bearings.
